ance at court.

McCaffrey Declares Sullivan the Winner.

Forepaugh's circus was packed last night and nearly six hundred persons had to stand. Dominick McCaffrey witnessed the sparring between "Sullivan," the clown elephant, and Eph Thompson, the colored clown. In trying to get in an upper cut on the elephant's mouth, Eph missed his mark and the elephant caught him squarely on the nose, knocking him down. McCaffrey declared the elephant the winner.
